In these often less than peaceful and contemplative times, we would like to share this special message with you:

### **Jesus, the door to hope**

Jesus describes himself here as the door through which we can reach God. The door symbolises openness and an invitation to all who seek comfort and hope. It represents access to security, community and spiritual nourishment. When we step through this door, we find peace and salvation.

### **Archangel Raphael as a guide**

Raphael accompanied Tobias on his journey and helped him to overcome the challenges that awaited him. Raphael opens doors to new possibilities and insights, guides us through difficult times and shows us the way to ourselves and to God.

### **The message of hope and new beginnings**

Both Jesus and Raphael embody this powerful message: Jesus leads us to peace and salvation, while Raphael accompanies us on our journey and guides us to the right decision.

### **Invitation to community**

Opening the door is an invitation to all who seek communion with God. A community characterised by love, protection and support.
